

Tomas Soto

MS Student

Tomas Andres Soto was born in Victoria, Entre Ríos, Argentina. He developed a passion for livestock production while helping his family with the farm. Tomas studied Veterinary Medicine at the Universidad Nacional del Litoral (SF, Argentina) from which he graduated in 2023. During his undergraduate studies, Tomas worked for three years as a research assistant for CONICET, The National Scientific and Technical Research Council in Argentina. In 2024, Tomas was accepted for an internship at the University of Florida, North Florida Research and Education Center in Marianna, where he participated in many research and extension projects related to beef production. As a result, he was invited to pursue a master's degree with Dr. Nicolas DiLorenzo in 2025.
